# TIMPANY SCHOOL PREMIER LEAGUE (TSPL) 2025 INAUGURATION

The inauguration of the third edition of the Timpany School Premier League (TSPL) 2025 was held on 4th August 2025 at Timpany School with great enthusiasm and splendour. Since its inception in 2023, the Inter-School T-10 Cricket Tournament has become a prestigious platform for young cricketers to showcase their skill, discipline, and team spirit. The ceremony began with a solemn prayer song by the school choir, followed by a beautifully executed welcome dance. The torch bearers, comprising the Sports Captains of the three Timpany Schools, entered the arena and lit the ceremonial torch, symbolising the official commencement of the tournament.

The event was graced by the Director of Timpany Schools and Principal of Timpany School, Mrs. Vandana Abraham, who has been instrumental in introducing this league since its inception and also served as the Chief Guest of the morning. Joining her were Mrs. Christobel Stevenson, Principal of Timpany Steel City School and Mrs. Maryann Abraham, Principal of Timpany Senior Secondary School. We were also honoured by the presence of Mrs. Georgina Veronica, Vice Principal of Timpany School, and Ms. Savarimuthu Dominica, Vice Principal of Timpany Steel City School. A warm welcome was also extended to Dr. Eshwari Prabhakar, Principal of Visakha Valley School, as well as to Mrs. G. Bharathi, Principal of Samsidh International School, and the Vice Principal, Mrs. Jyothi.

A highlight of the morning was the March Past, where 27 boys' and 2 girls' teams representing prominent schools of the city proudly took to the field. Displaying discipline and confidence, the teams marched in unison, ready to vie for the coveted TSPL trophy. This was followed by the Oath, administered by Timpany School Sports Captain, Anirudh Reddy. All the participants raised their right hands and pledged to uphold the values of fairness, discipline, and sportsmanship. The choir then enthralled the gathering with the spirited "Khelo India" song, further energising the atmosphere of the event. In her address, Mrs. Vandana Abraham declared the tournament open and reminded the gathering that the spirit of the game lies in respect, teamwork, and unity. Towards the conclusion of the ceremony, Ma'am delivered the Vote of Thanks, extending her gratitude to the principals, dignitaries, coaches, teachers, and students for their wholehearted support. She encouraged the young players to play fairly, with integrity and honour for the game, and wished all the teams the very best for the tournament. The inauguration ceremony drew to a close with the singing of the National Anthem, leaving the audience inspired and the participants motivated to begin their sporting journey in the true spirit of cricket.

# CELEBRATING CREATIVITY & LEARNING: THE FRUITS, VEGGIES & SHAPES PARADE

On the sunny morning of 7th August 2025, the campus of Timpany School was abuzz with excitement. The school's youngest learners, the Timpany Twinklers, took centre stage for a vibrant and unforgettable event: the Fruits, Veggies, and Shapes Parade. The event was a perfect blend of fun and education, designed to help students learn about healthy eating and basic geometry in a dynamic, interactive way. The parade kicked off with a burst of colour as the children, dressed in striking costumes, marched confidently onto the stage. Each child was a walking lesson in itself. A few children represented various fruits, dressed as bright red strawberries, plump purple grapes, and sunny yellow bananas. Others embodied different vegetables, appearing as leafy green spinach, crunchy orange carrots, and earthy brown potatoes. The Nursery group brought geometric concepts to life, wearing costumes shaped like perfect circles, sharp-edged triangles, and neat squares.

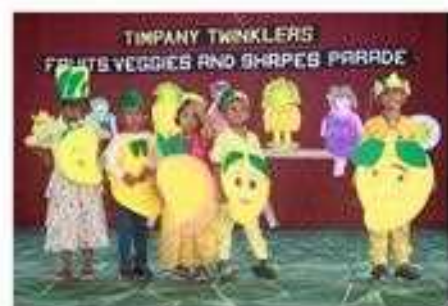

As they paraded, the Timpany Twinklers didn't just show off their costumes; they enthusiastically shared fascinating facts about their assigned fruit, vegetable, or shape. This approach transformed the students from passive participants into active teachers, reinforcing their knowledge and building their public speaking skills. The event was graced by Mrs. Vandana Abraham, Director of Timpany Schools and Principal, Timpany School, Mrs. Georgina Veronica, Vice Principal, Timpany School, and the parents, who eagerly gathered to watch the little ones perform. Their presence added warmth and encouragement to the atmosphere, and the children shone even brighter under their loving gaze.

Parents expressed their positive feedback, noting how the event successfully combined education with entertainment. The smiles and pride reflected on their faces bore testimony to the success of the programme. Mrs. Vandana Abraham, Academic Director of Timpany Schools and Principal of Timpany School, applauded the children for their remarkable performance, describing it as eye-catching and truly creative. She expressed her gratitude to the teachers for their tireless efforts in guiding and mentoring the students, nurturing their skills, and instilling in them the confidence to showcase their abilities. She also extended heartfelt appreciation to the parents for their steadfast support, encouragement, and cooperation, which played a vital role in motivating the children to give their best.

In her address, Director Ma'am emphasised that such events highlight the strong partnership between the school, teachers, and parents, while providing a platform for learners to explore, express, and excel. She reiterated the school's commitment to offering opportunities that cultivate creativity and holistic development among its students.

At Timpany Steel City School, picnics are often organised in parks, where children can learn while enjoying themselves amidst nature. This year, students from Nursery to Standard 10 had a delightful time together filled with songs, games, and lively conversations. At the picnic spot, they relished delicious food, played outdoor games, explored the beauty of nature, and took part in engaging group activities. The day was truly memorable, leaving every student with happy hearts and wonderful memories to treasure.

# CELEBRATION OF HAR GHAR TIRANGA 2025-TSSS

---

The 'Har Ghar Tiranga' Campaign has been started under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark India's independence. The objective of this campaign is to encourage citizens to hoist the national flag at their homes and build a personal and emotional connection with the Tiranga. This year, Har Ghar Tiranga campaign was organized from 2nd - 15th August 2025 in the following three phases.

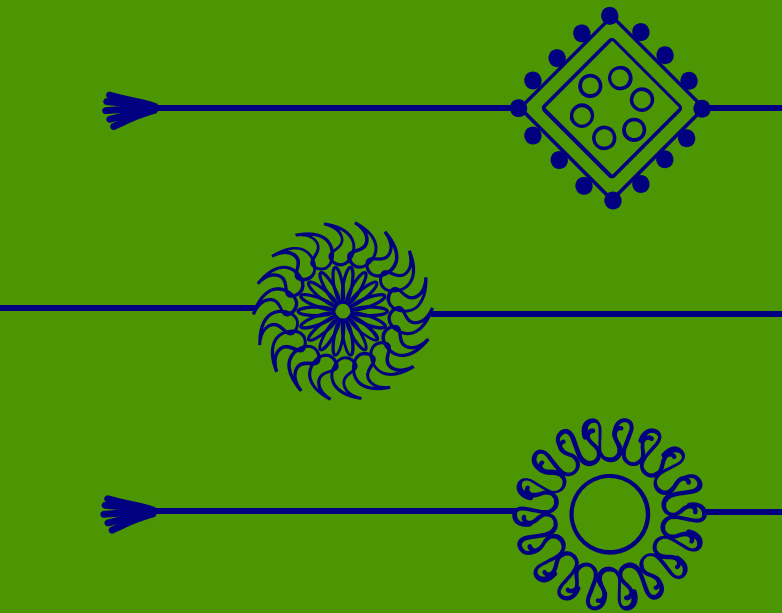

- (i) Phase I - 2 nd August to 8th August, 2025
- (ii) Phase II - 9 th August to 12th August, 2025
- (iii)Phase III - 13th August to 15th August, 2025, respectively.

To commemorate this special day, our school organised a Rangoli competition, where students showcased their creativity and patriotism through the traditional art of Rangoli. The theme of the competition was HAR GHAR TIRANGA. The objective of the competition is to promote creativity, patriotism, and cultural heritage among students. Through this traditional art form, students will learn about the significance of Rangoli in Indian culture and its role in celebrating special occasions.

# TIRANGA RAKHI MAKING-TSSSS

The children joyfully took part in making rakhis in Tiranga (tricolour), symbolizing not just the bond between brothers and sisters but also the deeper relationship of love, respect, and protection. The Tiranga Rakhi reflected gratitude towards the brave hands that safeguard us—our soldiers who are away from their homes, guarding the nation. "From our homes to the frontlines; a bond that never breaks." A heartfelt salute to all our beloved soldiers.

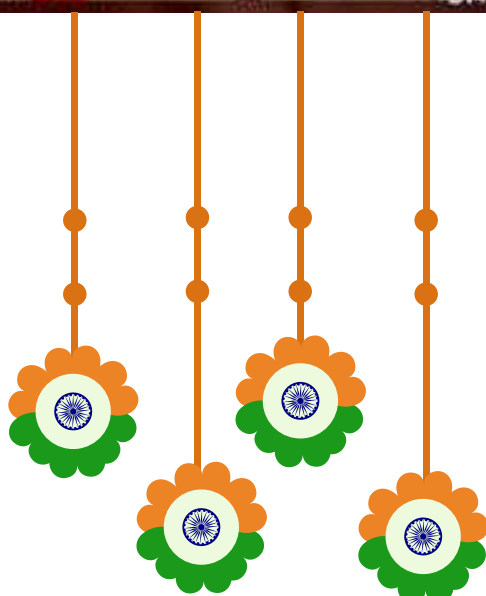

# FANCY DRESS COMPETITION – INDEPENDENCE DAY CELEBRATION

On the auspicious occasion of Independence Day, Timpany Senior Secondary School organised a vibrant and patriotic Fancy Dress Competition on 12th August, 2025, to celebrate the spirit of freedom and honour the sacrifices of our national heroes. The classrooms were beautifully decorated with tricolour balloons, flags, and posters, radiating a sense of national pride.

Students of Classes Nursery to 5 participated enthusiastically, donning the attire of iconic figures from Indian history such as Mahatma Gandhi, Rani Lakshmi Bai, Bhagat Singh, Subhash Chandra Bose, and many other freedom fighters. A few students also dressed as soldiers, symbolising the strength, courage, and unity of our nation. The performances were not only creative and colourful but also informative and inspiring. Each participant presented a short speech or enactment portraying their chosen character, which added depth and meaning to the celebration. The winners of the competition were honoured with certificates on Independence Day, making the occasion even more memorable.

# LETTER WRITING COMPETITION-TSSS

The students of Classes 6, 7, and 8 participated in a heartfelt letter-writing competition, addressing the brave hearts of our nation. Through their words, they expressed timeless appreciation and deep gratitude for the dedication and hard work of our soldiers in protecting the country's pride and its people. With sincerity and reverence, the young writers conveyed their admiration and respect for the Armed Forces of India, who stand as true guardians of the nation.

## TSSS-ACTIVITIES

### Visual Perception Development

05 AUGUST, 2025

The Nursery children were given a set of coloured shapes and asked to match them with identical ones on a paper. This activity helps to strengthen the child's

- Visual discrimination
- Attention to detail
- Shape and colour recognition
- Hand-eye coordination
- Cognitive reasoning and classification.

Children were highly engaged and showed excitement in participating.

## Numbers Caterpillar

05 AUGUST, 2025

Our UKG children had a fun-filled learning activity! The little ones created "Number Caterpillars" by writing numbers in sequence on colourful caterpillars. This engaging hands-on activity helped them:

- ✓ Learn and practice number writing in order
- ✓ Improve fine motor skills
- ✓ Develop concentration and creativity

The children enjoyed decorating their caterpillars while confidently writing numbers. It was a joyful way to combine learning with fun!

## Shadow Recognition Activity

11 AUGUST, 2025

The Nursery children participated in a fun and engaging "Shadow Recognition" activity. Familiar images of animals were used along with their shadow outlines. The children were encouraged to observe the shape of each shadow carefully and match it with the correct object.

Children were able to:

- ✓ Recognise and match basic objects with their shadows
- ✓ Develop attention to detail and shape recognition
- ✓ Improve hand-eye coordination through physical matching
- ✓ Learn through play and build confidence

The children were highly enthusiastic and engaged throughout the session. They enjoyed guessing the shadows and proudly displayed their matches. The element of surprise and discovery made the activity both educational and enjoyable.

13 AUGUST, 2025

Our UKG children celebrated the spirit of Independence Day with great enthusiasm through a painting activity. The little ones enjoyed painting the tricolour and creating beautiful artworks that reflected their love for the nation. This activity not only nurtured their creativity and fine motor skills but also instilled a sense of patriotism and pride in young hearts. It was truly wonderful to see our tiny patriots express their joy through colours!

## Tricolour Popsicle Stick Activity

14 AUGUST, 2025

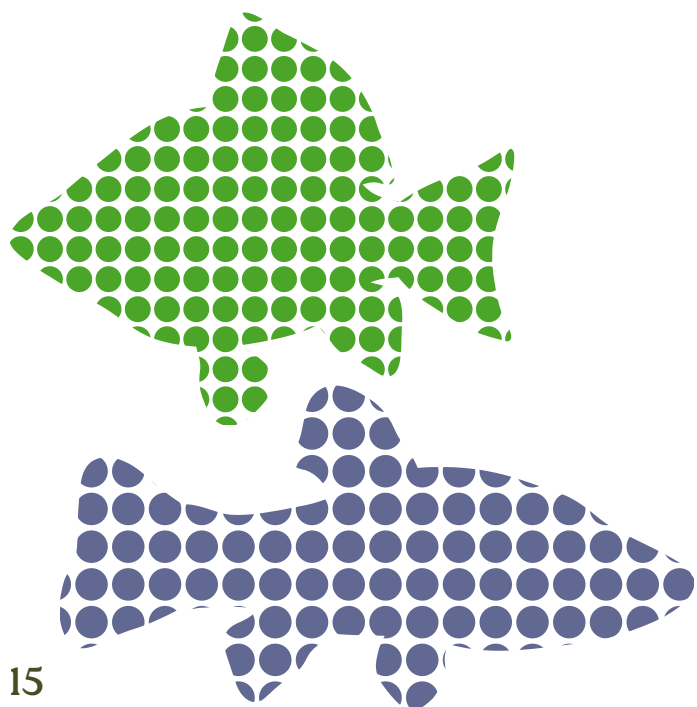

Celebrating the spirit of patriotism with our little nursery stars through a fun and engaging Tricolour Popsicle Stick Craft Activity as part of our Independence Day celebrations was a sight to behold. The children created beautiful tricolour displays representing the Indian flag. The tiny hands enthusiastically stuck the paper strips of saffron, white, and green and then rolled them and created a beautiful Popsicle Stick with it. The activity served as a beautiful blend of fun, learning, and patriotism. It also helped to develop their fine motor skills and creativity.

## Dot-a-Fish

21 AUGUST, 2025

A creative and engaging art activity called "Dot-a-Fish", was done by the Nursery students where they used earbuds (cotton buds) to print colourful dots onto fish templates. This hands-on activity was designed to be both fun and educational, allowing our little learners to explore colour, pattern, and texture in a playful way. Using earbuds as painting tools encouraged the children to focus on fine motor control, helping them strengthen their hand muscles and develop coordination. As they dipped the buds into different paint colours and carefully dotted along the fish, they also practised concentration, patience, and hand-eye coordination.

## Shiny Teeth Adventure - Brush, Brush, Hooray!

26 AUGUST, 2025

The LKG Children embarked on a fun and educational "Shiny Teeth Adventure," where they learned how to fight off "sugar bugs" and keep their teeth sparkling clean. The activity started with a short, age-appropriate discussion on why brushing teeth is essential. This activity helped to teach children the importance of oral hygiene through an engaging, hands-on activity that demonstrates the proper way to brush teeth. Teachers demonstrated proper brushing techniques using a large model. Kids followed along using their own toothbrushes, practicing circular motions and brushing all sides.

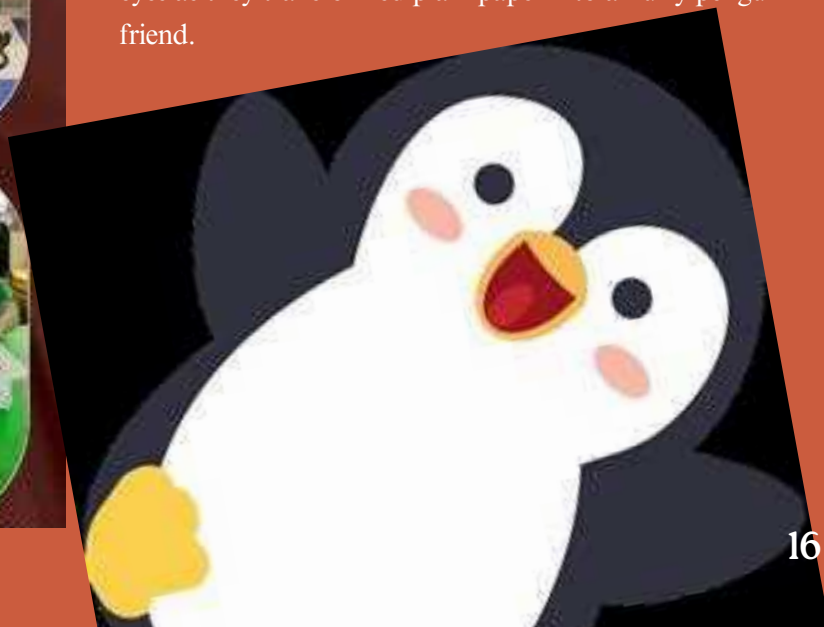

## Penguin Winter Coat Activity

29 AUGUST, 2025

The little learners from the Nursery class enjoyed a delightful hands-on activity — cotton pasting on a penguin! Each child was given a printed outline of a penguin and fluffy cotton. Using glue and their little fingers, they carefully pasted cotton to create the penguin's soft, snowy body. This simple yet engaging activity supported:

- Fine motor skill development
- Sensory exploration (through the soft texture of cotton)
- Creativity and imagination
- Basic understanding of animals and their habitats.

It was wonderful to see the excitement and focus in their eyes as they transformed plain paper into a fluffy penguin friend.

## LKG - L for Leaf -TSSS

It was a fun and engaging way to introduce the letter 'L' and connect it with nature. Children were able to identify the letter 'L' and relate it to the word leaf. Leaf Printing helped the children to improve fine motor skills. Children showed great interest and excitement while touching and exploring real leaves.

## Number Neighbours: What's Next? What's Before?

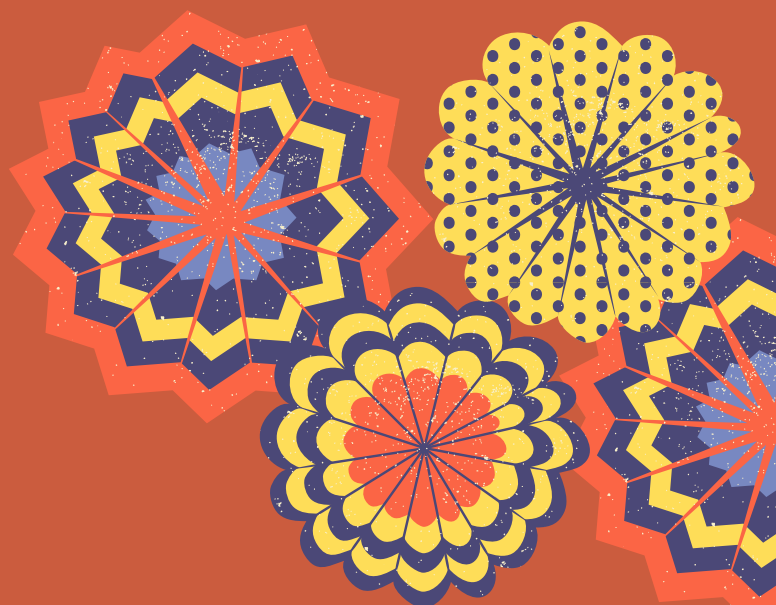

22 August, 2025

Our UKG children enthusiastically participated in an engaging hands-on activity to learn the concept of before, after, and between numbers. Each child was given a colourful number strip where they arranged and identified numbers in the correct order.

Through this activity, students learned how to:

- Recognise and place the number that comes before a given number.
- Identify the number that comes after a given number.
- Understand the concept of the number that comes between two numbers.

The activity not only helped in reinforcing number sequencing but also made learning fun and interactive. Children enjoyed holding their number strips proudly and shared their answers with classmates. This activity boosted their observation skills, logical thinking, and number sense. It was indeed a joyful and meaningful learning experience for our little learners!

## Spinning into Science – Twirl & Turn Windmill Fun

22 August, 2025

Class 1 students had a fun and creative windmill activity at school. The students created a working paper windmill (or pinwheel) that introduced them to the concept of wind energy, motion, and basic engineering - all while having fun and being creative! They learned how wind helps in making things move. The activity sparked curiosity about wind energy. It was a joyful and educational experience for everyone.

## Mindful Doodle Moments - Doodle Art

22 AUGUST, 2025

STD 1 & 2 children had lots of fun with the Doodle Art activity as a part of the Bagless Day. Simple lines turned into beautiful designs. Everyone displayed their imagination and creativity. The class was full of joy and laughter. Doodle art made our day bright and exciting. This activity encouraged creativity, focus, and relaxation through freeform drawing and doodling, helping children to express themselves while practising mindfulness.

## “Houses Around Us”

As part of the EVS lesson on Houses Around Us, the students of Class 2 participated in a fun and creative activity where they made different types of houses using various materials. Some children made huts, some built igloos, and others created stilt houses, apartments, and bungalows using items like cardboard, cotton, coconut shells, ice cream sticks, and more. This hands-on activity helped students understand the different types of houses people live in across the world, depending on the weather and place. It was a joyful learning experience that combined creativity with knowledge!

## Symmetry in Action - The Beauty of Balance and Design

22 AUGUST, 2025

Symmetry is a balance or equality where a shape is divided into two identical halves, and this activity is really helpful for children to develop skills like spatial awareness, problem solving, focus and eye-hand coordination. They explored concepts such as different types of patterns, reflection and symmetry and saw how these principles apply to art, design and the natural world. They develop a better sense of left and right as well as spatial awareness. Through the activity, children discovered that patterns and symmetry are present everywhere, from nature to human-made objects. They developed Fine Motor Skills, Focus and concentration, Visual perception, and problem-solving.

## DEWORMING DRIVE

“Health isn’t a goal — it’s a lifestyle.”

On 12th August, all three Timpany Schools observed Deworming Day, an important health initiative of the Ministry of Health and Family Welfare, Government of India. The programme aims to ensure that every child in the country is worm-free and stands as one of the largest public health campaigns, reaching millions of children across India within a short span of time. As part of this initiative, students whose parents had given consent were administered the Albendazole deworming tablet, reinforcing the importance of good health and well-being in a child’s growth and learning journey.

## NATIONAL LIBRARIANS DAY-TSSS

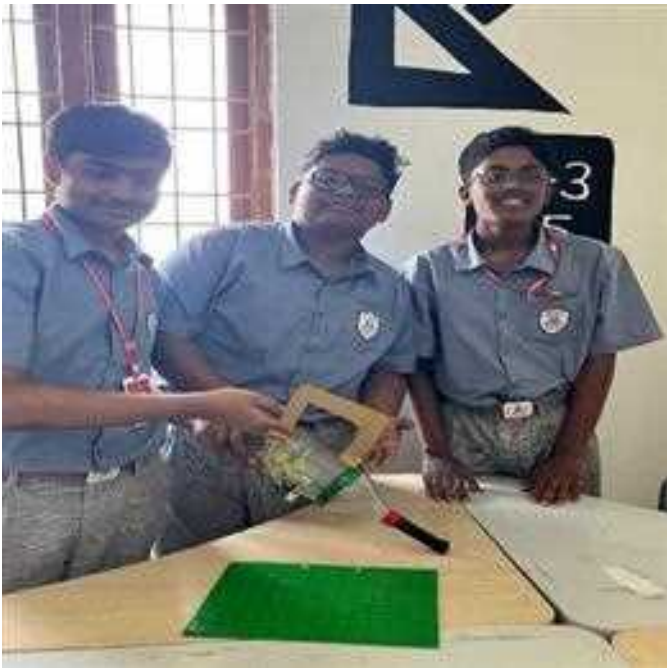

Librarians’ Day was celebrated in memory of Dr. S.R. Ranganathan, the Father of Library Science in India. The librarians, along with student volunteers, organised storytelling sessions and a library orientation to promote reading habits and effective use of resources. The day served as a tribute to the invaluable role of librarians and reaffirmed the library as a hub of learning beyond classrooms.

## MEGA TINKERING DAY

As part of the NITI AAYOG initiative, the students of Classes 9 and 10 from Timpany Senior Secondary School participated in the Mega Tinkering Day held on 12th August, 2025. The programme provided a platform for students to engage in practical experimentation in the newly established STEM Labs, encouraging creativity, innovation, and collaborative learning. Their enthusiastic participation was acknowledged with Certificates of Appreciation.

# INDEPENDENCE DAY CELEBRATIONS 2025 AT TIMPANY SCHOOL

Independence Day was celebrated at Timpany School on 15th August 2025 with immense pride and enthusiasm. The campus was adorned with tricolour decorations, and the atmosphere was charged with patriotic fervour. The programme commenced with a soulful prayer song, 'King of Kings', followed by the ceremonial flag hoisting and the rendition of the National Anthem. The rhythmic march past showcased discipline, strength, and unity, after which the National Pledge was taken and the National Song, 'Vande Mataram', was sung with pride, resonating across the ground.

The students of Class 4 presented a stirring act on iconic leaders such as Mahatma Gandhi, Jawaharlal Nehru, Subhas Chandra Bose, Bharat Singh, Sarojini Naidu and Rani Lakshmibai — legends who lit the flames of liberty. This was followed by a segment titled "Honouring Freedom, Inspiring the Future", where students of the senior classes captivated the audience with a vibrant dance performance to "Desh Pehe" and striking pyramid formations that symbolised courage and unity. The celebrations concluded with an inspiring address by the Chief Guest, Mrs. Vandana Abraham, Director-cum-Principal, Timpany School, who reminded everyone that "Freedom is not about whatever you want to do but about doing what is right, standing up for truth, standing for one another, and not acting against one another". Her words left a lasting impression, instilling a sense of responsibility and patriotism in everyone present.

# INDEPENDENCE DAY CELEBRATIONS 2025 AT TIMPANY SENIOR SECONDARY SCHOOL

Timpany Senior Secondary School celebrated Independence day with great patriotic fervour and gratitude. The Chief Guest for the day, Director of Timpany Schools and Principal of Timpany School, Mrs. Vandana Abraham, hoisted the National flag. After the grand salute, the contingents of all four houses marched in perfect harmony with heads held high as a tribute to the nation and its leaders of the past and present.

The audience then witnessed a variety of programmes organised by the Social Science Department, headed by Mrs. Rama Hundal, along with the school TALENT EASE team, that once again fuelled the spirit of patriotism. The Chief guest delivered a powerful message to the gathering, reiterating that the world is in our pocket, information is at our fingertips, and the opportunities are at our doors. Freedom is not about doing whatever we want but doing what is right, speaking truth even though when it is difficult, standing up for others, not letting others down or pulling them down and the true progress of India is not in the gadgets that we use or the trends that we follow but it is in how we treat others, the respect that we share and the responsibilities that we take. We as Indians, we need to march towards a country in the words of Sir Ravindra Nath Tagore, where the mind is without fear and the heads are held high. That is the India we are looking for, and we, being the future of India, must strive to achieve that. The program concluded with the appreciation message by the Principal of the school, Mrs. Maryann Abraham, who thanked the Chief guest and appreciated the in-charge staff who put together such a beautiful programme.

# "HONOURING FREEDOM, INSPIRING THE FUTURE,"

The 79th Independence Day of our nation was celebrated with immense enthusiasm and deep patriotic fervour at Timpany Steel City School on August 15, 2025. The school campus was beautifully adorned with the tricolour, flowers, and handmade posters prepared by the students to mark this historic occasion. The programme commenced with the unfurling of the National Flag by our respected Principal, Mrs. Christobel Stevenson, followed by a soulful rendition of the National Anthem, which stirred every heart with pride. A smart guard of honour and an impressive march-past by the students set a dignified tone for the celebrations. The cultural programme highlighted the essence of patriotism through a variety of performances. Students staged a thought-provoking skit portraying the significance of independence and the sacrifices of our freedom fighters. The school choir presented melodious patriotic songs, while the graceful dance performance “Ye Watan” celebrated India’s rich cultural heritage and paid homage to the struggles of the past.

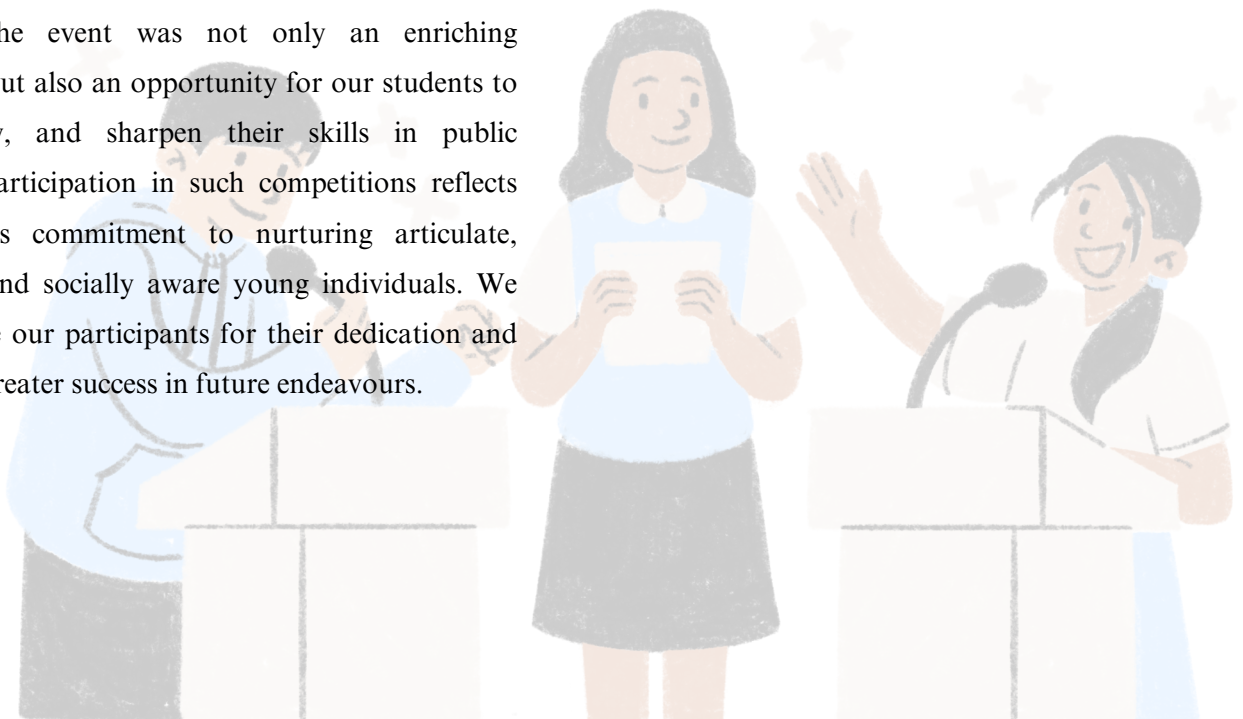

# VOICES OF CONFIDENCE: TIMPANY AT THE FRANK ANTHONY MEMORIAL DEBATE 2025

Our Young Orators take the Stage at the Frank Anthony Memorial All-India Inter-School Debate Competition 2025. Timpany School proudly participated in the Zonal Level of the Frank Anthony Memorial All-India Inter-School Debate Competition, hosted by Christwood School at Chennai on 18th August 2025. This prestigious event, organised annually by the Council for the Indian School Certificate Examinations (CISCE), provides a platform for young orators to showcase their eloquence, clarity of thought, and debating skills.

Representing our school were Samriddhi Mishra and Vasudha Sharma of Class 10, who spoke with confidence, conviction, and remarkable presence of mind. Competing against some of the finest debaters from renowned schools in Hyderabad, Karnataka, and Chennai, our students upheld the spirit of healthy competition and intellectual exchange.

Their performance was highly appreciated by the judges and audience alike, as they presented well-structured arguments, rebuttals, and persuasive delivery. The event was not only an enriching experience but also an opportunity for our students to learn, grow, and sharpen their skills in public speaking. Participation in such competitions reflects our school's commitment to nurturing articulate, confident, and socially aware young individuals. We congratulate our participants for their dedication and wish them greater success in future endeavours.

# RASHTRA NITI DEBATE COMPETITION AT GITAM

We are proud to announce that Timpany Senior Secondary School achieved a remarkable victory by securing First Place in the Inter-School Debate Competition organised by the Department of Political Science, School of Humanities and Social Sciences, GITAM(Deemed to be University). Competing against several reputed institutions, our students showcased exceptional oratory skills, logical reasoning, and confidence, which won the hearts of both the judges and the audience.

The team made it to the finals -Team comprising Tanish Jain from 12B, Shambhavi Dangwal from 11B and Shivika Joshi from 10A, with an outstanding performance, was recognised with a cash prize of ₹10,000, a prestigious trophy, and certificates of merit. This achievement stands as a testament to the hard work, dedication, and guidance of both the students and their mentors. The Principal, Mrs. Maryann Abraham and staff congratulated the winners for bringing laurels to the school and encouraged other students to take inspiration from their success. Such accomplishments not only boost the morale of our students but also strengthen the school's reputation in

academic and co-curricular excellence. The Vice-Chancellor of GITAM (Deemed to be University), Dr. Errol D'Souza, congratulated the students and awarded them with the winning trophy, cash prize and certificates.

# SANSKRIT DIWAS

Sanskrit Diwas was celebrated on 19th August 2025 in Timpany School with great enthusiasm. Students presented shlokas, speeches, and songs in Sanskrit, highlighting the richness of the language. Handwriting and slogan competitions were also conducted to encourage active participation. Our Director-cum-Principal Ma'am applauded the children for their excellent performance and efforts. The programme helped students appreciate the cultural significance of Sanskrit and was an enriching experience for all.

## SANSKRIT DIWAS

On the 19th of August, 2025, Timpany Senior Secondary School joyfully celebrated Sanskrit Diwas. The day commenced with a special assembly conducted entirely in Sanskrit, which featured the recitation of shlokas, melodious songs, and thought-provoking speeches.

To mark the occasion, a variety of competitions were organised, including Rakhi Making, Drawing, Shloka Writing, and Sanskrit Paragraph Writing. These activities provided students with an opportunity to express their creativity while deepening their appreciation for the language.

The celebration served as a beautiful reminder of the rich cultural heritage and timeless wisdom embodied in Sanskrit. Through this observance, the school not only honoured the ancient language but also inspired students to embrace and explore its profound significance in today's world.

# संस्कृत दिवस

# SANSKRIT DIWAS

On 19th August 2025, Timpany Steel City School celebrated Sanskrit Diwas with a series of engaging and educational activities. This annual observance, also known as World Sanskrit Day, honours the profound influence of Sanskrit on Indian culture and its enduring global significance. The day began with a special Sanskrit assembly, where students took centre stage to showcase the richness of this ancient language through thought-provoking presentations and performances.

## PRAYER MEET

"I am the light of the world. He who follows me shall not walk in but have the light of life"  
John 8:12

On 20th August 2025, the monthly prayer meeting was held at Timpany School in the School Chapel. The dignitaries who attended the meeting were Mrs. Vandana Abraham, Director-cum-Principal, Timpany School; Mrs. Christobel Stevenson, Principal, Timpany Steel City School; Mrs. Maryann Abraham, Principal, Timpany Senior Secondary School; Mrs. Georgina Veronica, Vice Principal, Timpany School; Ms. Savarimuthu Dominica, Vice Principal, Timpany Steel City School, along with faculty and staff from all three institutions.

The service commenced with an opening prayer by Miss Mercy Jean, followed by a responsive reading from Psalm 35 by Mrs. Evelyn. The Scripture reading, taken from Luke 19:1-10, was read by Mrs. Sabitha.

The choir team led the congregation in heartfelt praise and worship, expressing reverence, adoration and

gratitude, while acknowledging God's role in our lives. Rev. Dr. Aneesh Mathew, Principal of De Paul's School, delivered the exhortation on "How to be a Teacher-Disciple," drawing lessons from the life of Zacchaeus. His message inspired all to seek transformation and spiritual growth. The Prayer Meet was a spiritually enriching experience for the entire gathering. The meeting concluded with offertory, closing prayer and benediction by Rev Dr Aneesh Mathew.

# SCIENCE AT PLAY, INNOVATION ON DISPLAY CELEBRATING YOUNG INNOVATORS AND CURIOUS MINDS TIMPANY STEEL CITY SCHOOL | 25TH AUGUST 2025

The Science Exhibition at Timpany Steel City School turned classrooms and labs into lively centres of discovery, where students showcased models, experiments, and interactive projects that reflected curiosity, teamwork, and innovation. Physics projects illustrated concepts like reflection, periscopes, kaleidoscopes, and energy transformation, while the Biology lab featured water purification using algae, lung models, biodiversity conservation posters, smart gloves, and cell division displays. Chemistry added excitement with pH testing, reactivity experiments, erupting volcanoes, and the engaging Periodic Table Song. The Composite Lab impressed visitors with demonstrations of strong, lightweight materials.

Classroom exhibits included solar cars, electric circuits, windmills, automatic streetlights, and creative models, while Grade VIII students highlighted solutions for rainwater harvesting, waste management, recycling, and smart home automation. Teachers praised the clarity and confidence of the participants, and parents appreciated their creativity and problem-solving skills. The exhibition celebrated science as a journey of curiosity, exploration, and innovation.

## VALEDICTORY FUNCTION – TSPL 2025

The Timpany School Premier League (TSPL) 2025–2026, a Vizag inter-school cricket tournament, marked its third successful year. This year's edition saw enthusiastic participation with 27 boys' teams and 2 girls' teams competing in great spirit. The league commenced on 4th August and concluded on 23rd August 2025, with the Valedictory Function hosted by Timpany Steel City School on the afternoon of 26th August 2025. The event was graced by Mr. Kona Srikar Bharat, the Chief Guest of the afternoon, a distinguished wicketkeeper and right-handed batsman from Visakhapatnam, who made his Test debut for India in February 2023. Mrs. Vandana Abraham, Director of Timpany Schools and Principal of Timpany School, presided over the function, along with Mrs. Christobel Stevenson, Principal of Timpany Steel City School, Mrs. Maryann Abraham, Principal of Timpany Senior Secondary School, Mrs. Georgina Veronica, Vice Principal of Timpany School, Ms. Savarimuthu Dominica, Vice Principal of Timpany Steel City School, Mrs. Komala Devi, Principal of Oak Valley, Mrs. K. Purnima, Principal of Delhi Public School, and Mrs. Eshwari Prabhakar, Principal of Visakha Valley School.

The afternoon began with a soulful prayer song by the TSCS Choir, followed by a graceful welcome dance by 64 girls. The highlight of the function was the prize distribution ceremony, where Mr. Srikar Bharat felicitated the Man of the Match winners along with the champions and runners-up of both boys' and girls' teams. The celebrations continued with the Khelo India song, after which Mr. Bharat delivered a powerful and inspiring address. A lively question–and–answer session with the Chief Guest further energised the audience. The program concluded with a heartfelt Vote of Thanks proposed by Mrs. Vandana Abraham, followed by the National Anthem.

### Tournament Results

- Boys' Winners: Visakha Valley School
- Boys' Runners-Up: Timpany School
- Girls' Winners: Timpany School
- Girls' Runners-Up: Visakha Valley School

It was truly an afternoon to remember, celebrating sportsmanship, teamwork, and the spirit of TSPL.

# PROMOTING A TOBACCO-FREE FUTURE: STUDENT ENGAGEMENT THROUGH ART AND ADVOCACY

As part of the MyGov Innovate Platform initiative, Timpany School organised an awareness activity on “Towards a Tobacco-Free Generation” on 29th August 2025. Students actively participated by drawing posters, writing meaningful slogans, and spreading the message of healthy living. Their creative expressions highlighted the harmful effects of tobacco and the need to build a healthier, smoke-free future. The activity not only encouraged students to showcase their artistic and literary talents but also inspired them to become ambassadors of change for a tobacco-free society.

## NO TOBACCO RALLY

The Ministry of Education's emphasis on ToFEI highlights the importance of creating healthy and tobacco-free spaces in schools, a crucial aspect of the National Education Policy (NEP).

On 29th August, 2025, the students of classes 9-12 of Timpany Senior Secondary school took part in the rally to bring awareness with the theme SAY ‘NO’ TO TOBACCO AND SAY ‘YES’ TO HEALTH.

## TELUGU BHASHA DINOTSAVAM

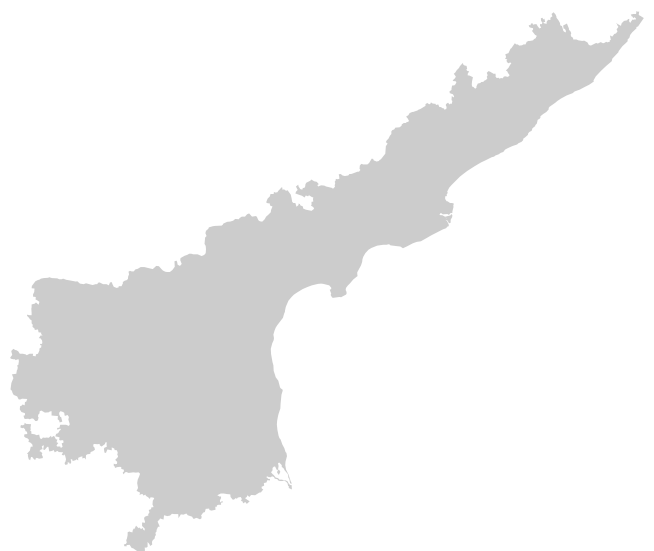

On the occasion of Gidugu Ramamurthy’s birthday, Telugu Language Day was celebrated on 29th August 2025 in Timpany School. The programme began with a Bible reading and prayer. Students sang melodious songs in chorus, and one student beautifully explained the greatness of the Telugu language. Little children recited poems and slokas, highlighting the importance of Telugu. The programme concluded with the greetings and appreciation of our Director-cum-Principal, Mrs. Vandana Abraham.

# TELUGU DIWAS

Telugu Day was celebrated at Timpany Senior Secondary School on 29th August, 2025. The celebration began with an assembly in Telugu, which included the recitation of Telugu Padhyalu, songs and speeches. The day was a beautiful reminder of the rich cultural heritage and linguistic tradition that Telugu embodies. Through these activities, Timpany Senior Secondary School not only celebrated the language but also inspired students to continue exploring and appreciating its profound wisdom.

# TELUGU SOURABHAM: CELEBRATING THE ESSENCE OF OUR HERITAGE

On 29th August 2025, students of Timpany Steel City School marked Telugu Language Day with vibrant celebrations, honouring the richness of the Telugu language, culture, and literature. The event featured a dynamic display of students' talents, including declamations on prominent Telugu authors and freedom fighters in their historical attire. Students recited poignant poetry and performed soulful songs, inspiring all to embrace and cherish the Telugu language in their daily lives. Ms. Dominica Savarimuthu, Vice-Principal, Timpany Steel City School, voiced her expression of gratitude to teachers and students for showcasing an alluring display of Telugu culture. Mrs. Christobel Stevenson, Principal, Timpany Steel City School, showered accolades and extended her heartfelt appreciation to the team for showcasing a vibrant and memorable Telugu Day celebration. Students have fostered a deeper respect and love for the Telugu language, ensuring its legacy for generations to come.

## HONOURING THE LEGEND

The students of Timpany Steel City School proudly celebrated National Sports Day, commemorating the birth anniversary of Major Dhyan Chand, the legendary hockey wizard of India. The day served as a reminder of the vital role that sports and fitness play in shaping a healthy and balanced life.

## ELOCUTION COMPETITION-TSSS

The Central Board of Secondary Education (CBSE) encourages the study of ancient Indian history and civilization through programs like the "Adopt a Heritage" scheme, the "Heritage India Quiz," and the creation of a "Culture of India" portal to foster a sense of pride and awareness among students. These initiatives aim to bring alive history and social science curricula through active learning about cultural heritage, monuments, and traditional knowledge systems. As a part of the same, an Elocution competition was conducted for the students of Classes 9-12. The panel of judges headed by Mrs.Rama Hundal and Mrs.Archana Kumar applauded the participants for their excellent presentations and the following students were declared as winners.

THE FIRST PLACE- SHAMBHAVI DANGWAL OF Class 11 B

THE SECOND PLACE- ARNAV SHARMA OF CLASS 10 C and RIDHI MEHTA OF CLASS 10 A

THE THIRD PLACE- HETAA GALAM OF CLASS 11 B were declared as winners.

# CBP TRAINING ON ARTIFICIAL INTELLIGENCE IN CLASSROOMS-TSSS

As part of the CBSE initiative to empower educators with modern teaching tools, a Capacity Building Programme (CBP) on the effective use of Artificial Intelligence in classrooms was conducted. The session aimed at familiarising teachers with innovative strategies to integrate AI into the teaching-learning process, thereby enhancing student engagement and fostering 21st-century skills.

The resource persons, Mrs. Atluri Sridevi and Dr. S.K. Chaitanya Ch guided the participants through practical applications of AI, interactive demonstrations, and discussions on how technology can transform classroom practices. Teachers gained valuable insights into making lessons more dynamic, personalised, and future-ready. The programme proved to be an enriching experience, equipping educators with the confidence and knowledge to embrace AI as a powerful ally in education.

# CALCUQUEST: A MATH ODYSSEY 2 ∞ & BEYOND MATH QUIZ

To encourage logical thinking, problem-solving, and a love for Mathematics among students, Timpany Steel City School conducted an Inter-House Quiz Competition for classes I-XI of different houses. The competition was structured into multiple rounds, such as Warm-up round, Visual round, Buzzer round, Puzzle round and Rapid-fire round, which tested not only the mathematical skills of the participants but also their speed, accuracy, and presence of mind. The quiz masters engagingly conducted the event, keeping both the participants and the audience actively involved.

Students showcased remarkable talent in solving tricky problems, answering puzzles, and applying concepts of arithmetic, algebra, geometry and data handling in real-life situations. The competition not only built confidence among the participants but also created a lively atmosphere where learning became fun. It truly highlighted the importance of teamwork, critical thinking, and the joy of solving problems.

## “STEM LAB: IGNITING CURIOSITY, POWERING THE FUTURE.”

The new STEM Lab has transformed learning into an exciting adventure! Our students are experimenting with paper circuits, watching tiny LEDs glow as they discover the magic of electricity. Through Tinker Orbits, they're stepping into the world of robotics and coding, building with curiosity and confidence. Every activity is designed to spark imagination, encourage problem-solving, and inspire innovation. The STEM Lab isn't just a classroom—it's a launchpad for tomorrow's creators and inventors.

## ACTIVITY CORNER-TS

### **Tiny hands, Strong bonds of friendship**

Friendship is the most beautiful bond that brings smiles, love, and togetherness. Timpany School Nursery, LKG and UKG children celebrated Friendship Day with great joy and excitement. Children tied colourful friendship bands to their friends, expressing love, care, and the value of standing by each other.

The activity filled the classrooms with laughter and happiness as the children exchanged warm wishes, shared hugs, and proudly displayed their handmade bands. It was a heartwarming sight to see them learning the importance of kindness, sharing, and unity. This special day helped nurture the values of love, trust, and companionship in our young learners, making them understand that true friends make life bright and cheerful.

# INDEPENDENCE DAY CELEBRATIONS - LITTLE PATRIOTS, BIG PRIDE

Timpany School Nursery children celebrated Independence Day! The children joyfully created and colored paper models of the Indian flag, proudly wearing tricolor bands on their wrists. This fun activity taught them about the significance of our national flag and India's rich heritage. The children enjoyed creating and learning about the Indian flag while developing their imagination and fine motor skills.

## CELEBRATING PATRIOTISM WITH CRAFT AND JOY

Our little learners of LKG and UKG celebrated the spirit of patriotism with great enthusiasm. The children came together to make and wear beautiful tricolour wristbands, energetically showcasing the colours of our national flag – saffron, white, and green. The activity not only helped them learn about the importance of the tricolour but also encouraged teamwork, creativity, and sharing. With bright smiles and excitement, the children happily displayed their wristbands, showing their love for the nation. It was a wonderful way to blend enjoyment with learning, while instilling values of unity and respect for our country. Truly, a day filled with pride, joy, and togetherness!

## COOKING WITH CREATIVITY

The Cookery Practicals for class 10 were conducted as an engaging activity, giving students hands-on experience in preparing simple and tasty dishes. They learned the basics of cooking, nutrition, hygiene, and presentation while working creatively and managing their time effectively. The activity was fun and enriching, encouraging involvement from all, and students thoroughly enjoyed the experience, taking pride in their culinary efforts.

## CONFIDENT VOICES, THOUGHTFUL DEBATES

A Debate was conducted for the students of Class 12, giving them an opportunity to express their views with confidence. The participants spoke on the topic with clarity, presented their points effectively, and responded to counter-arguments. The activity helped students build confidence, enhance communication, and think from different perspectives.

## SAY NO TO TOBACCO, SAY YES TO LIFE

An awareness activity on 'Say No to Tobacco' was conducted for Timpany School students of Classes 9 to 12. The programme included slogan writing and chart making, through which students highlighted the ill effects of tobacco and the importance of healthy living. The activity provided a platform for students to express their creativity while promoting a socially relevant message. It reinforced the need for collective responsibility in building a tobacco-free society.

# BAGLESS DAY ACTIVITIES-TSSS

## UMBRELLA PAINTING AND IGLOO MAKING

On the occasion of Bagless Day, the students of Class 5 at Timpany Senior Secondary School stepped away from their regular lessons and immersed themselves in hands-on activities that encouraged creativity, collaboration, and fun.

### ✦ Umbrella Painting

Armed with brushes and bursting imagination, students transformed simple umbrellas into vibrant works of art. From bold patterns to nature-inspired designs, every umbrella became a unique masterpiece, reflecting the individuality and creativity of its young artist. The activity not only nurtured artistic expression but also instilled confidence in showcasing originality.

### ❄ Igloo Making

Meanwhile, another group of students enjoyed a creative Arctic adventure by building igloos with cardboard, cotton, and other materials. Teamwork was at the heart of this activity, as students learned about structure and design while working together to bring their igloos to life. The experience blended learning with fun, making it both educational and memorable.

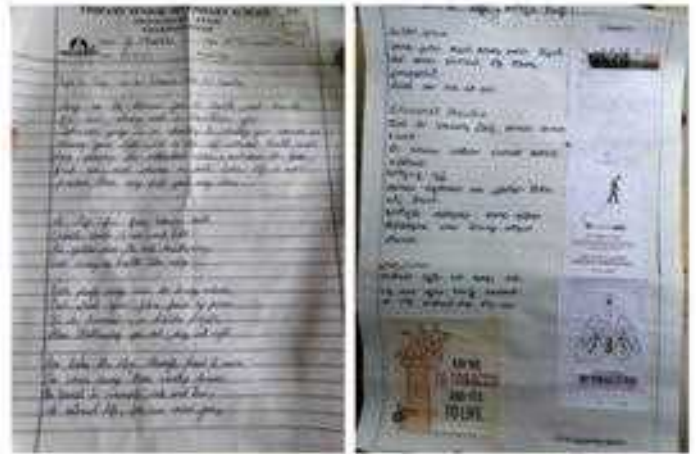

Bagless Day proved to be more than just a break from books — it was a celebration of imagination, teamwork, and the joy of learning through play.

## Class 6&7 – Slogan Writing & Poetry

Class 7 actively participated in slogan writing and poem composition. They expressed their awareness about the harmful effects of tobacco on health by creating powerful slogans in both English and Telugu. The poems reflected their concern about the ill effects of tobacco usage and emphasised the importance of choosing good health over harmful habits. This activity not only enhanced their creativity and language skills but also helped them develop awareness of healthy lifestyle choices.

Class 8 actively participated in a poster-making activity to spread awareness about the harmful effects of tobacco. With creativity and enthusiasm, they designed impactful posters carrying strong messages on the dangers of tobacco consumption and the importance of leading a healthy, tobacco-free life.

The activity not only showcased the artistic skills of the students but also reflected their understanding of social responsibility. Through vibrant colours, meaningful slogans, and thought-provoking illustrations, the young learners conveyed the message “Say No to Tobacco, Yes to Life and Health.”

This initiative helped in sensitising students towards the ill effects of tobacco and motivated them to make informed choices for a healthier future.

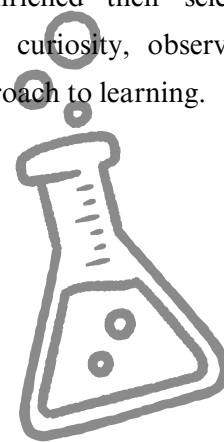

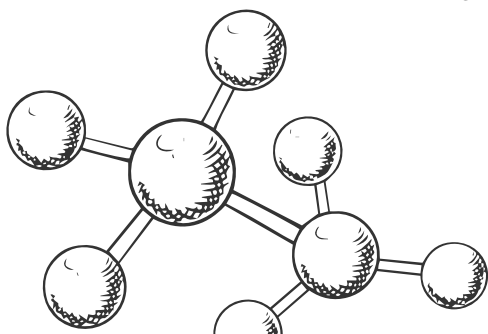

### Science Corner-TSSS

At Timpany Senior Secondary School, science is not just confined to textbooks—it comes alive through experiments and exploration! The students of Class 8 actively participated in hands-on science activities that helped them connect theoretical knowledge with practical learning.

**Fermentation Process:** Each student demonstrated the fermentation process using simple, no-cost aids. This activity enabled them to understand how microorganisms play a key role in the production of useful products like bread, curd, and beverages.

**Microscopic Observation:** Students mounted slides of bread mould and observed the microorganisms under the microscope. This experience gave them a first-hand look at fungal growth and enhanced their understanding of the microscopic world.

These activities not only enriched their scientific knowledge but also nurtured curiosity, observation skills, and an investigative approach to learning.

## ACTIVITY CORNER-TSCS

Our preschoolers enjoyed an exciting nature walk, during which they collected a variety of leaves to create beautiful leaf art in the shapes of fish, butterflies, and more. This hands-on activity not only sparked their creativity but also helped them discover the beauty of natural colours and develop an appreciation for nature.

## NAYA BHARAT 79th Independence Day Celebrations

Our little patriots of Timpany Steel City School celebrated Independence Day with immense joy and enthusiasm. Dressed as freedom fighters, our cherished young ones beautifully showcased their creative spirit and love for the nation.

The celebration was filled with fun and meaningful activities, including:

- **Patriotic Singing:** Children sang heartwarming renditions of *"I Salute My Flag"*, filling the atmosphere with national pride.
- **Flag Making:** Through colourful collage work, students crafted beautiful flags while learning about the significance of our national emblem.
- **Tricolour Bird Craft:** The little ones created vibrant tricoloured birds, blending creativity with the spirit of freedom.

The day was a delightful blend of learning, creativity, and patriotism, leaving lasting memories for our youngest learners.

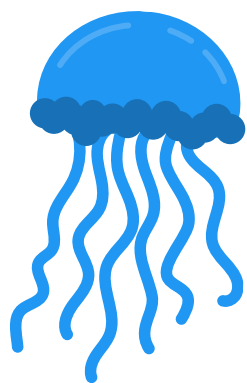

Our LKG students at TIMPANY STEEL CITY SCHOOL had a blast creating a **colorful jellyfish craft**. They attached vibrant ribbons to a semi-circular paper plate, bringing their artistic vision to life. This engaging activity not only sparked their creativity but also helped improve their fine motor skills.
